Helping All Recover Together

M-HART PERFORMANCE APPLICATION

The Chicago Federation of Musicians is proud to present **Music, Helping All Recover Together**, or **M-HART**, a program intended to provide safe performance opportunities for small ensembles (1-5 musicians) in public settings. Larger ensembles (up to 8 musicians) require CFM Board approval. **Note:** applicants are required to secure 50% co-funding from a host or sponsor. Performances should be scheduled between May 1st and September 30th, and will only take place if weather allows. Cancellations are subject to Work Rules. Compensation will come from the CHICAGO FEDERATION OF MUSICIANS and you will be paid at the COMMUNITY SERVICE SCALE. ALL musicians in your ensemble must be members in good standing of the CFM, and we request that you consider diversity in your planning.

Please provide the following information so that we can attempt to provide you with a performance opportunity through the M-HART initiative. This application does not guarantee selection for the program.
