Helping All Recover Together

M-HART PERFORMANCE APPLICATION

The Chicago Federation of Musicians is proud to present **Music, Helping All Recover Together**, or **M-HART**, a new program which we hope will be able to provide safe performance opportunities for small groups of our members in public settings. We will be contacting venues and funding sources to bring this program to life. While it's not necessary for you to point us to a performance venue or location, we are open and grateful for suggestions that make sense either in your community or in a setting that will work (parks, civic plazas and buildings, libraries, etc.). **IMPORTANT:** For the time being, these performance settings must be **OUTDOORS** in settings that do not promote crowds to gather, but to simply pass by or briefly stop by. Performances will only take place if weather allows. Cancellations are subject to Work Rules. Compensation will come from the CHICAGO FEDERATION OF MUSICIANS and you will be paid at the COMMUNITY SERVICE SCALE. ALL musicians in your ensemble must be members in good standing of the CFM, and we request that you consider diversity in your planning.

Please provide the following information so that we can attempt to provide you with a performance opportunity through the M-HART initiative. This application does not guarantee selection for the program.
