

## KAIA WINDS

Kaia Winds was founded in 2010 by a group of professional musicians in the Chicago area who were looking for the exceptional collaborative experience that only chamber music can provide. Dedicated performers and teachers, the members maintain active teaching studios at several high schools and universities as well as extensive performance schedules with orchestras throughout greater Chicago-land and Northwest Indiana.

Kaia Winds exist to make sure you never hear another boring chamber music performance. Made up of five orchestral wind instruments (flute, oboe, clarinet, bassoon and horn), this ensemble performs a variety of genres including traditional Classical, Latin, Jazz, Broadway, Popular and even animal inspired tunes! Kaia Winds is committed to removing the traditional boundaries that exist between performer and audience. They can be heard performing everywhere from recital halls to Chicago public schools to piano bars. By performing in both traditional and non-traditional venues, Kaia Winds works to welcome new fans to the world of wind quintet repertoire and is committed to performing music that is essential to each of us and our time. If you never thought winds could groove, check us out!
